

February 2024

Cameras: Camera at the pay station has been installed and is recording, camera on the doors of the restrooms has been installed but waiting on the new recording unit and programing to make it work

Fuel Bunker Placards: Got new stickers from Carson Oil and have been put on the fuel bunker and cabinet.

Finger Docks: Have been removing and repairing metal tears on finger dock hinges. Planning on starting finger dock install first half of March. Want them all in before April

Budget/Projects: Starting to talk about 2024 projects and costs

Main Docks: Dewatering main docks constantly
