

APPLICATION FOR SIGN PERMIT

Name of Applicant _____ Date _____

Address _____ Phone No. _____

Name of person, firm, corporation or association Erecting Sign: _____

Location of Building, Structure or Lot to which or upon which the Sign is to be attached or erected:

Please attach:

- Drawing showing location of the sign and how it is attached on building, or, if free-standing, the location to nearby buildings or structures, streets or highways.
- Scaled drawing of sign with full description of material, color, texture and/or finish to be used.
- Building Permit or Electrical Permit required and issued, if applicable.
- Written consent from the owner of the building, structure or land to which or on which the sign is to be erected (if other than applicant).
- If sign is to be located adjacent to Hwy. 101, even if on private property, verification of O.D.O.T. site review must be provided when submitting application to the City. Contact O.D.O.T., 541-757-4211. If sign is to be erected on any right-of-way (such as State, County, City, etc.), written permission will be needed from the appropriate agency or party prior to submitting application to the City.
- Payment of Fee (See Fee Schedule on Back of Form)

Other information which you feel may be helpful and pertinent to your application:

This application is required for all external attached, free-standing and off-premise signs.

I agree to attach or erect the sign applied for in accordance with the above description, plans and specifications and within the requirements of the Depoe Bay City Sign Ordinance #58, as amended, and within the requirements of the Building Codes of Lincoln County.
